UF-ZMSWB	Base impilabile 26L*		Base vuota : 3,6 kg Base riempibile : 30,4 kg

\* Cette embase n'est pas compatible avec les mâts des Zoom Feather, Quill et Edge

## Assemblaggio basi

2 persone necessarie per il montaggio

Avvitare il dado con la chiave (potrebbe essere più difficile da stringere al primo utilizzo).

Un cacciavite o una chiave a brugola possono essere inseriti nel foro nella parte superiore del perno per chiuderlo più facilmente.

## Assemblaggio basi

6

Nota: stringere con una moneta
